

MEMORANDUM FOR: Mr. Casey

Leo Cherne called re your Worldwide presentation. He was checking to see if it is in fact unclassified. He would like to give a copy to someone to be used to raise funds for programs on the Soviet Union to be shown on PBS under the title, "The Soviet Union is a Brutal Empire." He said the information is so powerful it would really facilitate that effort.

OK for Mr. Cherne to give out copy?
